

REMEMBERING

Barbara Davidson Raper

August 16, 1948 - September 26, 2023

After a long 13-year battle with Alzheimer's, Barbara passed away at the age of 75. We are deeply

saddened by this loss. She will be greatly missed.

Barbara was predeceased by her parents, Tom and Betty and by her two brothers, Murray and Alan. She

is survived by her husband Terry, three daughters, Kelly (Daniel), Deanne (Colyn) and Larissa. She is also

survived by her seven grandchildren (Aidan, Chelsea, Ava, Desmond, Brooke, Christian and Darian).

Barbara lived her life caring for her family and spending many years as a stay-at-home mom, ensuring

we, the kids, and the home were well taken care of. In her later adult years, she worked for the School

District in the position of secretary and then retired to help care for her grandchildren.

Barbara will be remembered as a kind, loving soul with a feisty spirit - not to mention her excellent taste

in fashion and home decor.

We love you, Mom! God bless and may you rest in peace.
