We are so sad to hear of the passing of Charlie. We made many visits to the Chateau and Charlie was always there to say hi and have a chat. He was always so friendly and funny to talk to. Our condolences to Charlies family during this difficult time. RIP Charlie.

**Tribute from Liz Thomas**

Relation: Friend and Neighbour

I met Charlie when he made daily visits to care for Elsie at MMH. His dedication and love was so inspiring. And then I realized we were new neighbours on Copper and he was The Charlie from the Block. He always knew the latest goings on and sat on his porch ready with a smile, wave, and chat as I walked by. I've missed his drop bys, his humour, and gently teasing since he moved. My sincere condolences to his family.
