Darlene.. I heard about Don's passing last friday and was wanting to send a card but could not find a mailing address but, when I saw the obituary in the paper today thought I had better send a note. My sincere condolences to you. May God comfort you as you now have a different lifestyle than up to this point.

Relation: family friend

Dear Ma, Ken and Pat and families - I am so sorry to hear of Pa's passing. I can still hear his hearty laugh and see the sparkle in his eyes. I saw him last at Starbucks with friends and he seemed as jolly as ever. May he be keeping those gone before him in stitches up there and he will remain in our hearts always. Love and sincerest condolences

**Tribute from Shelly McGee**

Relation: work

I'm so sorry for your loss. Don was a great guy, I had the pleasure of working with him around ten years ago, I dispatched him for a while, boy you could hear him coming a mile away with that laugh of his; his quick wit, and his friendly smile will be missed.

Sincerely, Shelly McGee

Relation: Mark's staff

Dear Don's family,

I became to know Don from his years of being a faithful customer at Mark's Work Wearhouse. I just saw him a couple of weeks ago and although he was having his challenges, he was still his jovial self. He shared many stories and made an impact on my day whenever he came by. We will all miss that hearty laugh and ever present smile. Rest in peace as we remember you in life.

Darlene, we send our condolences to you. It's been many years since we were in care group together at Mountain Park, but we remember the two of you. We are so sorry to hear that Don has passed on. We know his hearty laugh is being heard by all the angels in heaven now. He will also be meeting the many people who he's lead to Christ and who have passed on before him. Our thoughts and prayers are with you.

I was always impressed with the heart that Don had for his Lord and for reaching out to others! He will be missed down here but he is certainly rejoicing with the Lord whom he loved to serve!
