Relation: A very good friend

What a shock it was to hear of your moms death. We want you to know that we have been thinking of all of you and praying that the Lord will grant you comfort in your grief. We will miss her, she was always a joy to meet with and chat with when we were out and about. Thinking of all of you and sending lots of love and hugs your way.

Tribute from Brenda Woods Lotz

Relation: Family Friend

Karen and Richard, I am so sorry to hear of your Moms passing. She has left me with so many memories of my younger days. Your old house on Glenwood is still known to us as "Kostrzewa's" ..always will be..many memories there. She was a kind and compassionate person, and a great attribute to the City of Chilliwack. She will be missed by so many who knew her. My deepest condolences to you both and your Dad.

"We can't know why things happen...but we can know that love and the and beautiful memories outlast the pain of grief"

Tribute from Beverley Mason

Relation: Very good friend

Dear Karen and Richard. I am sending from my home in Israel, my deepest condolences on the loss of your mother. You, your family and the many people in Chilliwack have I am sure, very special memories of a true lady who cared about the people that she came in contact with. Dorothy was a friend of mine who supported all my ventures in regards to helping the seniors of the district, namely the Seniors Resources Society, Time Out, Activity Plus and the Elder College. She was also a good sport. I remember her climbing an elephant when the circus came to town. For a short lady, she sure climbed to high positions, broke the glass ceiling and gained respect from all who knew her.
