Tribute from Joyce (Holden) and Herb Frank

Relation: Friend

We are so sorry to hear of Betty's passing. Our condolences to you, Harold, and to your family. I (Joyce Holden) remember first meeting Betty and Irene at Capitol Hill the first time that they came to the church. I will always remember Betty's smile.

Betty left a wonderful legacy of faith and love. We pray that God will comfort you and bless your memories.

Tribute from Lorena Schmidt and family

Relation: I know Carol his oldest daughter.

Mr. Harold, I apologize for such a late message. I haven't had the pleasure to meet you or did have the pleasure to meet your beloved Betty; but I have been a very close friend to your daughter Carol for over a decade here in Saskatoon,SK. , as we homeschooled too and met in one of the gatherings. I truly admire the life well lived from your wife here on earth and I send my sincere condolences to you and your children. We know that Betty is in the presence of Jesus Christ enjoying and not suffering anymore. I hope that I will have the honour to meet you one day when you come to visit Carol.

In Christ, Lorena Schmidt and family
