

REMEMBERING
Erika Sara Enns

June 12, 1925 - April 19, 2024

It is with sadness that we announce the passing of our Mom, Erika Sara Enns at 98 years of age. Her long life was marked by times of joy and gladness, but also hard work, trials and very deep sorrows. She had a lasting faith in God that sustained her throughout her life. She would often remind us to take "one day at a time". In her later years, she enjoyed sewing countless infant gowns and blankets as her service for MCC World Relief. She led a life of service to her family, friends and church community. She always enjoyed a cup of coffee and meaningful visits with others. She will be remembered with love by her family and friends.
