Miss you brother. So glad we got to chat a week before your passing. Perfect timing it was.

**Tribute from Aaron Cropper**

Relation: Nephew

So many great memories growing up. You will be missed and never forgotten.

**Tribute from Susan Nickel**

Relation: Friend of the family

Ernie loved to sing with my dad at Cascade care home. Ernie would go full throttle with the melody and that helped dad come forward with the Tenor part. Good memories for us now.

Betty you have been a wonderful support to Ernie and all those who have crossed your path.

Thinking of you.

**Tribute from Frieda Bartel**

Relation: Sister

So glad Werner and I were able to visit Ernie on Friday, June 2. Although he was in major pain, he opened his eyes and said "Oh it's you, that's so nice" when we woke him. We will miss the many visits and especially our "fish and chips" lunches at his

favourite restaurant. Praying for grace and peace and strength for the days ahead, for you BettyLou and your family. Love Frieda and Werner.
