Relation: Friends with family

Sorry about Irene leaving us. We are all from Hungarian background dating back to 1950's and '60s and I lived at Jim and Julia Sabo's. I went to school with one of their sons and were good friends back in the 1960s and would like to connect - not sure what her son's name was now (getting up in years) but he owned an old 1/2 ton and we were heading down to Lynden to roller skate as we went to turn south from Fraser Highway at 264th we missed the turn in heavy rain in the dark, we hit the ditch. Nobody was hurt - girl friend Bonnie got a bump on the head. That was the end of our trip to Lynden, Wa.

Be great to connect once again. The truck may have been an older model Studebaker) Thanks
