Relation: Through ministry connections

Dear Shirley ,

Please accept my sincere condolences on the passing of Ike. My last conversation with him was at Andrew Friesen's memorial service .We talked about the camp in Latvia that my husband Ed and I are still involved in . My husband remembers the time when Ike came to visit the camp and afterwards they went for dinner at a restaurant in Sigulda . He wasn't sure who else was with Ike . I appreciated the interest he showed and of course I also enjoyed listening to the trio .

May you experience the God's peace that passes all understanding .

I was delighted the Lord "happened" me to Ike's memorial service- it was beautiful! Even though he is now pain free, for which we are grateful, you have a big gaping hole in your ! I hurt with you
