

**REMEMBERING**  
**Johanna Annie Noordman**

May 16, 1932 - October 21, 2012

With great sadness we announce the passing of our mother Annie at the age of 80 years. She fought so hard and was so brave but in the end there was no more hope and she lost the fight. Our mother was born in Enschede, The Netherlands and immigrated with her husband Rudie and daughter Ingrid in 1981. Mom was an amazing, loving, warm and compassionate person and you could not help but to love her. She had a great passion for animals, gardening and dancing. Life will never be the same without her. She will be greatly missed by her daughter Ingrid; son Johnny (Joyce); grandchildren Ilona (Raymond), Rocco (Melissa), Melvin and Michelle; great grandchildren Femke and Jarlin. Special thanks to all the doctors and nurses at Surrey Memorial Hospital who took great care of our mother and to the staff at Langley Hospice who made the last 7 days of her life without pain. There will be no service at Annie's request. In lieu of flowers a donation could be made to the Canadian Cancer Society.
