Tribute from June and Frank Benedict

Relation: Good friends.

Our sympathy to the entire family in Pat's passing. We always admired how good her family was to help Pat over the years. Her example of love and caring shone through you all. May you hold close the many happy times spent together. When we first moved here Pat and Al made us feel so welcome as members of Trinity United Church. We will always cherish the many visits we had with them. May your many happy times together carry you through the months ahead as well as knowing she and Al are together again and free of any more suffering.
