Tribute from Wiebe and Jeske Funeral Home

Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Dion Allen Houston

Relation: Son in law.

I only got to spend a short time with him because of the distance but I am proud to be his son in law; just wish we had more time, but he is happy with his wife again.

Tribute from Carolyn MacKenzie

Relation: He married my best friend.

Hugs to all of you on the loss of your Dad. Your Mom and I were best friends growing up in Sydney. He and Lorraine met at my wedding way back when. My husband and your Dad were on the same ship and the same trade. Sincere sympathy.

Tribute from Susan Calder Heaps

Relation: Family

It was with heavy hearts that we learned of Ken's passing. As his former sister-in-law, I loved his fun loving spirit, family times, his and Lorraine's wonderful hospitality and his messages to me in the last number of years. He has certainly received his reward and has been reunited with his beloved Lorraine/Lolly. Sending heaps of love and blessings to his family.

Tribute from Liza Funk

Relation: Granddaughter in law

His unwavering faith in the last 13 years I got to know him as Papa has been so inspiring to me and something that I know will be carried on in those people's lives good used you to work through. I can't wait to see you again in eternity
