

REMEMBERING
Leonard Norman Doerksen

May 15, 1936 - February 7, 2025

Tribute from Wiebe and Jeske Funeral Home

Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Darlene Fach

Relation: cousin

Every summer my family would travel to BC and I well remember playing tag with cousins in Uncle Jake and Aunt Anna's yard among the beautiful hydrangea bushes.

I think heaven is a wonderful reunion of all who have gone on before us.

I can imagine the Doerksen clan having lots of laughs together and yes perhaps guiding us along as well.

Although I will still be in Mexico I will watch the service on line and be with you in spirit.

Much love

Darlene Fach

Tribute from Sig and Ruth Polle

Relation: Friends and colleges

Len and Esther have been special friends over many years. Len and Sig were colleagues and we met together every week to socialize. Even though we eventually lived in different places we would get together whenever we were in each other's provinces. Len and Esther will always have a special place in our hearts. We miss them but are happy to know that they are together again in a place where there is no pain or suffering. May God comfort you as a family as you remember them and tell stories of the special times you had with them!

Tribute from Maris Siemens Matty

Relation: Former student and current server at Ricky's™s

I appreciated Leonard always remembering my name ",Maria" even in his latter months when a family member would bring him in for a meal at Ricky's. Then he'd take a few seconds of time to reflect and say" You were a "Siemens".Yes, I was a student of his in "wisdom literature " course a good 50 years ago ! What an awesome tribute to a great teacher! Sorry I could not make it to the service due to cold/flu in our home. Is the service being recorded? An earthquake at 1:26 pm disrupted my search but reminded me of the resurrection in Christ.
