Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Walt and Gaye Toews

Relation: teaching colleague

Our sincere condolences to Nettie and the family. We have many fond memories of Walt's teaching career at MEI, working alongside Leo.

Tribute from Elizabeth Joyce Kehler

Relation: He was my Math Teacher at MEI

Leo was a very good teacher. Math was so not my favourite subject, so it was hard to see past that sometimes, but he was endlessly patient in trying to explain geometry to me. On the other hand, he called me into his office after I ONCE more had no concept of geometry, despite trying VERY hard and asked me if I was going to take grade 12 Math. I told him that nothing on earth would make me take grade 12 Math as I had been waiting 11 years to stop taking any Math classes. He said, "In that case, I will pass you" and I was able to enter nurses training with that pass. Fortunately, I did understand algebra:-). He was a wonderful Christian example and I remember taking care of Brent on the Pediatric floor of MSA Hospital.

Tribute from Joyce Seniuk

Relation: Friend

To Nettie and family, Leo was such a gracious and nice man. I always enjoyed our lunches together. I'm sorry I wasn't able to meet for the last time. I'm so sorry for your loss.

Tribute from Doreen Wall Smith

Relation: teacher of mine

So sorry to hear of Leo's passing. He was my teacher in the 11th and 12th grade at MEI. I was not good at physics and he helped me get my grade from a D to a B. He was patient and kind. I have very pleasant memories of this good man.
