Tribute from Mindy Dhillon

Relation: Marguerite was my supervisor

Marguerite was a kind and supportive person who will be greatly missed. I have not seen Marguerite since she retired, but I have thought about her many times. I remember Marguerite being incredibly

encouraging and acknowledging of all of her staff. I did not know that she was not well. I just pray that her passing was peaceful and that her family will be comforted by knowing how highly Marguerite was regarded and loved.

Tribute from Carla Kraft

Relation: Fraser Health colleague

I just learned about Marguerite's passing and had no idea she was ill. A good and kind person has left us. Even after her retirement she continued to work for the betterment of her community through her volunteer time with the Food Bank. Her family, friends and community will miss her. My thoughts are with them.
