I love you Auntie Marian. I'm sorry I couldn't get up to see you more often but I loved your hugs when we were together.

Tribute from Elyda Takenaka

Relation: She was my grandmother

My sweet Grandma! You were always one to make us feel loved and welcome, even when we couldn't be around on the regular. You had one of the biggest hearts, and were made of tough stuff! I'm so proud to have known you, and been a descendant of you! I wish my little baby could have met you, but I'm glad you're pain free and in the hands of Jesus. Much love! Elyda & Stacey Lee Takenaka
