### **Tribute from Marco Spagnuolo**

Relation: Son

My loving father, dad. Thank you for loving me and being a wonderful father to me. Thank you for teaching me many life lessons such as working hard and showing me to live life to the fullest. Thank you for instilling good morals and great values in me such as respect and family. Thank you for being my friend and spending time with me.

Like when we went to Italy together. That was the trip of a lifetime and those memories we made with be with us forever. Thank you very much for being the wonderful, kind, loving, funny, caring, father that you were. You will forever be deeply missed and always loved. Until we meet again, your loving son  
Marco

### **Tribute from Tracy L**

I was a student of Marco's in 92/93. He was a great teacher who taught us to work hard and strive to be our best. Most of us in class were young and would sometimes go out after school. When he'd find out we went out the night before he'd make us do pincurls on the mannequin heads all next day as punishment for not being at our best in the morning for class! He made us laugh and sometimes closed the school to take us for lunch at the Italian restaurant down the street. In the early to mid 2000's I'd stop in and visit for coffee or lunch and we'd just chat about life. He was always very caring. After he retired I'd sometimes run into him when he'd be shopping at Rona. We'd chat and laugh about life. It's been about 6 years since I last saw Mario and wish I had the opportunity to have seen him again. Edith, Marco and family, I am very sorry for your loss. My thoughts are with you.

### **Tribute from Loren Spagnuolo**

### **Tribute from Carlo and Rosa Felicella**

Relation: Friends

To Edith and Family - It is with deep sadness that we feel with the passing of our long time friend Marco. Carlo has many wonderful memories of their long history in the hair styling industry. He also valued their friendship that was always full of laughter. Carlo and Rosa will miss Marco dearly. We send our prayers to you all.
