Tribute from Patricia Apps

Relation: My step dad's sister.

This announcement was shared with me. It brought back so many childhood memories for me of so I consider my aunt I remember her so well. A strong woman. I am so pleased to read that she lived such a long life. I have not been in contact for many many years but being a part of the Derksen family for nearly 20 years left me with many memories. Some of them were at her house. It always seemed like a fun home she created. I want to send her family my deepest condolences. My thoughts are with you all.
