Tribute from Colin Sexton

Relation: Played rugby for Mike

I will always cherish the memory of playing rugby under Mike's coaching, especially the year we won the Div 1 Provincial title. Mike was one of the first to welcome me when I first joined the club. He was a great rugby man. My thought and prayers go out to Anne and all of his family and friends who are missing him.

Tribute from Terryl Lafortune

Relation: Friend

I am so very sorry to hear of the passing of Michael Lewis. Michael was a frequent visitor to the laboratory where I worked at MSA and ARHCC hospital. I served this kind man for the past 10 years, and always looked forward to, and enjoyed his company. We talked about children, family, rugby, his grandchild and his wonderful life with his family. My sincere condolences to you all, I know his smiling face and good humour will be missed, I know he touched my heart in the short time that I knew him. The last thing he said to me was He had a great time getting to the age he was.....bless you all....Terryl Lafortune

Tribute from Doug Johnstone

Relation: Played rugby with Mike

Anne and family. I met Mike when I was first started playing rugby with the Abbotsford club when I was 17. Over the years he has been a source of inspiration, knowledge, and plain old common sense. I enjoyed a lot of really great times with Mike and I'll cherish them. He had a unique way of breaking things down into a very simple and easy way of understanding them, it must have been the teacher in him.

Tribute from June Almeida

Mike was a wonderful person; he was so kind and considerate and had a great sense of humor. My memories of Mike was of him making the wonderful barbecues for my birthdays, Mike would make you feel right at home. I will always cherish those times. Dennis and myself would like to send our love and thoughts to you Anne and your family.

He was my 8th grade teacher back in 1995/96. I read his obit online and was shocked to find out he passed away! He was a wonderful teacher and I will never forget that!
