

REMEMBERING
Ross Arthur Welte

June 11, 1948 - November 19, 2023

Ross passed away peacefully on November 19th after enduring many years of serious health

issues. Ross is survived by his loving wife, Heather, brother Murray (Cathy), son Michael

(Kacey), Grandsons Bennett and Evan.

Ross was born in Vancouver before moving to Vancouver Island where he would meet Heather.

The two later settled in Abbotsford to start a family and further a career in the automotive

industry. Ross and Heather also purchased the Pirates Den Fish and Chip Restaurant before

Ross would later focus the next 30 years on his own company wholesaling vehicles in BC and

Washington State. Ross had a kind, caring and charismatic personality. He enjoyed going out to

eat with family, had a major sweet tooth, a love for Diet Coke, and watching Golf on the

weekends.

The family wishes to thank the caring staff at the Cottage Pavilion where Ross spent the last 8

years after suffering a debilitating Stroke. No service will be held.

We are grateful for the time we had with Ross and will carry his memory in our hearts forever.

He will be deeply missed.
