**Tribute from William Alain Laraque**

Relation: Cousin to Marie-Jose Miot

Georgette and I extend our heartfelt condolences to the Kulczycky family.

We will keep you in our prayers and would like to commemorate Steve's love of flying with this excerpt from "High Flight," written by Royal Canadian Air Force Pilot Officer John Gillespie Magee, Jr.:

"Oh, I have slipped the surly bonds of Earth  
And danced the skies on laughter-silvered wings,  
Sunward I've climbed, and joined the tumbling mirth  
Of sun-spli clouds-and done a hundred things  
You have not dreamed of-wheeled and soared and swung  
High in the sunlit silence. Hov'ring there,  
I've chased the shouting wind along, and flung  
My eager craft through footless halls of air.  
Up, up the long, delerious burning blue  
I've topped the wind-swept heights with easy grace  
Where never lark, or even eagle flew.  
And, with silent, lifting mind I've trod  
The high untrespassed sanctity of space,  
Put out my hand, and touched the face of God.  
Bill
