**Tribute from Melissa (Farmer) Carew**

Relation: Granddaughter

My Papa was a beautiful soul who lived 99 beautiful years. So many life experiences, life stories, and life lessons.

I have so many wonderful memories that I can cherish and pass along to my two children Mia (9) and Theodore (5). Theodore, his great grandson actually shares the same birthday of September 10, which is something I find so special - a beautiful reminder. Although he will be missed here I am so glad that he is now reunited with my Nana and also my dad (Bruce) Missing you and loving you.

**Tribute from Larry Boyce**

Relation: He was my uncle.

Today I was down through Hampton and traveling around Oshawa. I found that my thoughts went right away to Uncle Tom and Aunt Doris as well. One thing that I really appreciated was how they opened their home up to me during a time when I didn't have a father at home. I think back to our hunting times, he, Bruce and myself in the fields and woods in that area. I also think back to those weekend stays and attending church with the family and our Sunday dinners afterward. I'll always be thankful for those times. Of course the years went by and then I think of them living at the lake and Uncle Tom and I working together. I think back to stories and laugh but then there are the other memories that cause me to just pause, and give thanks. Thank you Uncle Tom for all of the times of being together; whether by phone or side by side. I'm blessed by having had those times.
